Dear Parents /Carers,

I am sure like me you are looking forward to our school and nursery Nativity performances. These really are special events and I know that as families you enjoy coming along to see our 'stars on stage'. However, I wish to let you know in advance the rules around filming.

In the interests of complying with current South Lanarkshire Council Child Protection and Securing Pupil Data policies and regulations, **no photographs or video footage** will be permitted to be taken during any of the school or nursery Nativity performances as all of children are taking part. The school will endeavour to upload a selection of photographs to the school website. Any photographs uploaded to the school website will have been carefully screened to comply with these regulations and are the sole property of the school and nursery only. These photographs **must not be copied** for personal use on devices, social media or online sites. We would like to take this opportunity to thank you in advance for your co-operation in keeping your children safe and we hope you enjoy the Nativity performances.

Kind Regards

J Ross
