How many challenges can you complete this week? Remember, we would really like to see you in action completing your challenges. If you have any photographs, you can send them to Mrs Keenan at gw14keenanaclaire@glow.sch.uk

Miss Boyd's challenge

This week I would like you to play a memory game with numbers!

Ask someone in your house to write two sets of numbers 0-10 on pieces of paper or paper plates, then mix them up, and put them face down. Take turns to turn 2 over. Can you find two the same? Can you remember where they are? Have fun and no cheating 😊

Miss Tant's challenge

Draw a self-portrait, remember to include eyes, ears, nose, a mouth and hair.

Can you identify the different parts of your face on your portrait?

Use some pencils, pens or crayons to colour in your portrait. Have fun!

Miss Smith's challenge

This week's challenge!
Using a piece of card/cardboard draw your favourite animal then cut round the shape of the animal, do this carefully keep the outside part of the paper whole if you can, this is a frame!
Ask an adult for help if you need it. Go into the garden or for a walk hold your frame up against different objects and talk about the different colours and patterns you can see!

Good Luck!
