Miss Smith

Striped Zebras
Keyworkers
Mrs Mackenzie
and Mrs Friel

Busy Bees
Keyworkers
Mrs Magee
and Mrs O'Hare

Colourful Caterpillars
Keyworker
Miss Tant

Our nursery class is currently split into four 'pods', indoors and outdoors. Your child will learn and explore with their own group and keyworkers within their 'pod'. Each day keyworkers will respond to the children's interests and provide resources that will stimulate their learning. All toys and resources are sanitised at the end of each day. Enhanced cleaning procedures are also in place throughout the day.

St. Joseph's Nursery Class has Health and Safety procedures in place to keep your child safe and happy during their time at nursery. Hand washing will take place throughout the day including entry into the building, before and after eating and when they return from playing outdoors. The children are learning how to wash their hands in a fun way using child friendly signs and pictures. The children are also becoming familiar with the message 'Catch it, Bin it'. Sneeze Bins have been provided and are in several locations within the nursery.

Snack is prepared by our very friendly catering staff and is delivered to the nursery in individual bags. The children will experience a range of fruit vegetables and healthy snacks. Lunch is served to the children in the school dinner hall. We ask that you complete the lunch order form in advance to allow for a smooth, happy lunch time experience.

We look forward to working in partnership with you!
