

# St. Joseph's Nursery Class Technologies

## Shadows

Make a stick puppet by drawing a picture, cutting it out and putting it on a stick. In a dark room shine a torch onto a wall and move your puppets in the torch light.

## Laptop / Tablet / Ipad

Online games can be fun and educational.

Using a laptop / tablet / Ipad play Numberblocks game on the Cbeebies website.

## Walkie Talkies

Use your own Walkie Talkies or make a walkie talkie by joining two plastic cups together with a piece of string..

Using the walkie talkies communicate with some in your house.

## Paper Aeroplanes

Decorate a piece of paper, then ask an adult to fold the piece of paper to create an aeroplane.

Throw it in the air, watch how it flies.

## Cardboard Castle

Create and construct a castle using recycled objects e.g. cereal boxes and egg cartons.
