Weather Chart

Make a basic weather chart (draw 7 boxes on a piece of paper.)

Record the weather for one week by drawing the weather for each day in a box.

Local Environment

Our local environment is full of interesting features.

Go a local walk and try to find interesting features such as a hill, a road, a train station, a river, a park.

The Four Seasons

Learn the names of the four seasons - Spring, Summer, Autumn, Winter. Think about what kind of weather is most likely to be related to which season - sun, rain, snow, frost, etc.

People in the Community

Our community is full of people who help us.

Identify and name some people who help in the community.

Local shops

Our local shops are important as they help us live our daily lives.

Role play being a shop worker.
