

St. Joseph's Nursery Class Literacy

Story Time

Select a book that you are interested in reading or listening to. Ask a family member to read it to you or with you.

Talk together about the story.

Favourite part of Story

Read a story of your choice.

Once you have read the story, draw a picture of your favourite part.

Song Sticks

Draw some pictures from a song on a piece of paper, then cut them out. Stick the cut out pictures onto sticks and let someone guess the song. Once the song is identified sing the song together.

Tracing the Letter

Get an adult to write a letter from the alphabet on a piece of paper. Use small objects to put over the top of each letter e.g. stones or beads.

Who am I?

Think in your head of an animal. Ask a family member to ask questions to try and work out which animal you were thinking about. Good Luck!
