READINESS TO LEARN FROM HOME

Phased Return Model / Remote Learning Offer– Update for 22nd February 2021

Following the Scottish Government's update on 16th February 2021, Early Years and Primary 1 to 3 children will return to Nursery and School from Monday 22nd February 2021. Remote learning provision will continue for Primary 4 to 7 children until date specified in updated guidance. Please refer to the information provided below for a detailed outline of St. Joseph's Primary School and Nursery Class planned arrangements for 'Phased Return Model' commencing 22nd February 2021.

Nursery Return 22nd February 2021

Nursery children can return to 'in' nursery learning on their allocated hours and days from week beginning 22nd February 2021. Please note entry and pick-up arrangements will continue as were in operation prior to the extended period of remote learning. Children at the highest clinical risk (on shielding list) are advised by the Chief Medical Officer not to attend nursery in level four areas. If your child falls within the highest clinical risk category please contact the nursery directly by telephone 01698 825121. Information on shielding is available at [Coronavirus \(Covid-19\): shielding advice and support-gov.scot \(www.gov.scot\)](https://www.gov.scot/topics/coronavirus/shielding).

School – P1-3 Return 22nd February 2021

Primary 1-3 children can return to 'in' school learning from Monday 22nd February 2021. Gates will continue to open at 8.45am to allow for staggered arrival between 8.45am and 9am. On dry weather days, children should proceed directly to their play zones and refrain from making any physical contact with other children. Children are familiar with the zone demarcations for their class. In the event of inclement weather, children should enter through the dining hall door, sanitise their hands and proceed directly to their class where they will be supervised by support staff. For collection, gates will open at approximately 2.55pm to avoid large gatherings. Children will be dismissed at 3pm from the same exit doors as were in use in December 2020. Children should wear full school uniform. PE will take place outdoors. PE will return indoors if the local area returns to Tier 3 or less. As a result, please ensure children wear or bring a waterproof jacket to school and bring jogging trousers on PE days. All safety rules and procedures which were in place prior to the period of extended remote learning provision should continue to be followed at all times. Children at the highest clinical risk (on shielding list) are advised by the Chief Medical Officer not to attend school in level four areas. If your child falls within the highest clinical risk category please contact the school directly by telephone 01698 825121. Information on shielding is available at [Coronavirus \(Covid-19\): shielding advice and support-gov.scot \(www.gov.scot\)](https://www.gov.scot/topics/coronavirus/shielding).

Important Health and Safety Guidelines

As a reminder, in the interests of following Scottish Government and SLC Health and Safety Guidelines for Covid-19 transmission mitigation, adults must remain 2m distance from other adults and children of other households. Adults must wear face coverings in all communal areas on school and nursery estate unless medically exempt. Transfer of resources and materials between school/ nursery and home should be limited to essential. Children should remember to bring their lunch and snacks, as the office will not be able to accept hand-ins in the course of the day. Parents/carers are also reminded not to attend the school at times out with drop-off and collection without prior approval from or by request of a member of the school Senior Leadership Team. We strongly advise children attend school/ nursery for their full hours. However where essential, school parents/carers wishing to collect a child early should phone contact the school prior to 2.30pm to advise of the early collection time. Any early collections must be prior to 2.30pm as support staff will not be available after this time due to their remit roles and responsibilities. Children/adults should not attend school or nursery if they or any member of their household is experiencing Covid-19 related symptoms. Instead they should isolate and follow NHS Inform and contact trace guidelines www.nhsinform.scot.

School – P4-7 Remote Online Learning Extension from 22nd February 2021

- Remote learning provision will continue to be scheduled daily on Google Classroom from the 22nd February 2021 for all P4-7 pupils.
- Offers of remote learning provision will continue to follow the broad exemplar timetable for all classes detailed overleaf. Please note this exemplar timetable is provided as an example only and class teachers may select to provide a range of different cross curricular opportunities to meet the needs and cater for the interests specific to the learners in their class.
- All classes will be offered at least 1 'live interaction' with their class teacher per week using Google Meet. (See Google Meet User Guide Agreement for Parents/Carers published week beginning 11th January 2021. Copies have been made available by email and are accessible on Google Classroom.)
- Parents/ Carers who provide permission for their child to access Google Meet will automatically be agreeing to conform to the User protocols outlined in the Google Meet User Agreement.
- Please note any child / or parent attempting to record any Google Meet using any form of digital technology will be removed from the Meet and will not be permitted to access any future Meets to safeguard all children and staff. It is crucial that 'live interactions' are a safe and secure platform of communication between children and their teachers.
- Assemblies led by the School Leadership Team will be scheduled at regular intervals. Dates and times will be posted on Google Classroom for the children to attend the Google Meet Assembly assigned to their class. It is hoped that Assemblies will enable continuation of our 'Building Resilience' Health and Well-being Programme through 'Skipper's Journey' and the opportunity to share achievements and successes. Assemblies will also be used as an opportunity to promote Faith Life.
- Rev Fr Lamb and Rev Fr Lawrie ensure the publication of live Sunday Mass through St. Joseph's RC Facebook live stream which is available for our families.
- Reminder we ask that all children indicate registration through a simple statement on their class stream e.g. 'Good morning Mr/Mrs/ Miss - I am online today', preferably between 9am and 9.20am if possible for families.
- Children requiring support with learning should contact their class teacher directly on Google Classroom. Parents/Carers should refer to the Remote Learning Communication Guide to direct any queries to the most relevant member of staff to enable school staff to respond promptly.

School P4-7 Emergency Key Worker / Vulnerable Children Provision

Vulnerable children and the children of nationally defined 'key workers' (see definition highlighted in SLC Letter attached) who have been granted permission to attend by the Senior Leadership Team can continue to access from 22nd February 2021. We would ask that permitted children enter through the **PE Hall** door at **9am** to enable assessment of numbers and to ensure hand sanitisation on entry. Children **must** be signed in and out by a parent/carer for the purposes of registration and safety. Children will be dismissed via the **PE Hall** door at 3pm. Please note the change of door indicated due to the need to maintain separation between P1-3 children entering the school building via the dining hall door for school provision on inclement days and P4-7 children being signed in for entry to the 'In- School Emergency Care Provision'. Children will have access to the daily remote learning tasks set for them by their class teachers/ key workers on Google Classroom. These arrangements are devised to ensure consistency and fairness of learning provision for all learners both at home and within the establishment. **Children attending this provision should wear full school uniform from the 22nd February 2021. ONLY If eligible and ONLY if you require placement for your child(ren) please email the school office a copy of your completed SLC Key Worker Provision Request Form to office@st-josephs-pri.s-lanark.sch.uk. Please email the school office by Friday at 11am each week to update the school of your requested placement dates for the next week. Notification of this information is crucial to being offered a place for the days specified as staffing adjustments are necessary to accommodate both school and 'Emergency Care'.** All vulnerable families should also confirm their intention to uptake any placement offer from the Senior Leadership Team by Friday at 11am of each week. In accordance with current guidance, parents/carers are reminded that children of key workers should only attend if both parents (or single parent) are key workers and CANNOT work from home on the specific dates requested for placements.

Exemplar Weekly Timetable of School Remote Learning (Class specific and subject to change)

Day	Staff Availability on Google Classroom Chat Stream	Learning Activities	Google Meet Live Interaction From 22 nd Feb	Live Assembly
