

# St. Joseph's Nursery Class

## Busy Bees Group

Miss Magee

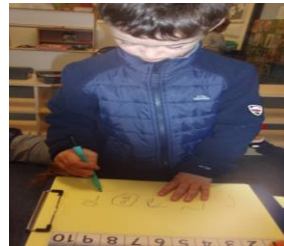

### Literacy

The children have been talking about what happens next in a story and creating and illustrating their own stories.

### Numeracy

The children have been learning to write numbers, identify the missing number in a number line and recite numbers 0-10.

### Health and Wellbeing

The children found a Daffodil in the garden and thought it smelled lovely. We brought it in to paint it.

### STEM

The children have been learning that Scientists carry out experiments. They carried out a 'Bubbleology' experiment.
