

# St. Joseph's Nursery Class

## Striped Zebras Group

Mrs O'Hare

### Creativity

The children explored a variety of Easter themed sponges, using paint. They self-selected what colours they wanted to use. They recognised an Easter egg, a lamb and the Easter Bunny.

### Team Games

The children took part in a variety of Easter themed team games including an egg and spoon race, hopping like bunnies, throwing an egg into a bucket and an Easter egg hunt.

### Block Play

The children worked well in small groups making an aeroplane to take them to Disneyland. They made steps, wings and a door.

### Story Time

The children listened to the story of The Three Little Pigs. They then made puppets and retold their own version of the story.
