

St. Joseph's Primary School Learning from Home Web Guidance -Term 1(August- December 2020)

In the event of class / school closures or children requiring to self-isolate for up to 14 days for Covid-19 related reasons, please use this 'Learning from Home Website Guide' to access useful online sources of cross curricular digital learning activities. This guide is designed to supplement a '10 Day 'Learning from Home Pack' (which will be uploaded to Google Classroom for class or school closures) or the weekly 'Home Learning' activities (which will be uploaded to Google Classroom for ongoing home learning or for all children self-isolating for up to 14 days). The websites selected are currently free to use. The suggested websites will be updated on a termly basis to ensure a range of learning experiences throughout the school year.
